Audit opinion – Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my review and subject to the matters and recommendations identified below, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's income and expenditure and financial position for the year:

- The Council has not provided the information required for me to complete my audit regarding the significant variances from the previous financial year.
- The Council has not maintained adequate accounting records for me to complete my audit.

Annual Governance Statement

I am unable to conclude whether or not the Annual Governance Statement is inconsistent with the Council's governance arrangements for the year. The Council has marked negatively to the multiple assertions without adequate disclosure and how it intends to address the weaknesses in its governance arrangements. Furthermore the Council's internal auditor has raised multiple issues that are consistent with the reported position within the Annual Governance Statement but we have not evidenced how the Council intends to address those weaknesses.

Other matters arising and recommendations

There are no further matters that I wish to draw to the Council's attention.
